

Aurizon Rail Operations Matrix			Train Driver	Sigma Drager	Second Person	Shunter	Restricted Shunter	Driver Trainer/Tutor Driver/Operation Trainer	Roll by Inspector
Notes	Recertification/ Certificate of Currency	1	2, 3	1, 2	1			1, 2	
Medical Requirements									
Railway Medical Category 1 (Cat 1)		M		M	M	M		M	
Railway Medical Category 3 (Cat 3)									M
Competency Requirements (non rail specific)									
Drivers licence - current unrestricted		M		M	M			M	
Aurizon in Vehicle Monitoring System	36 months	M		M	M			M	
Certificate IV in Train Driving - Core									
Identify and rectify minor faults on rail traffic		M						M	
Inspect and prepare a motive power unit		M						M	
Apply awareness of railway fundamentals		M		M	M	M		M	
Identify and respond to signals and trackside signs		M		M	M			M	
Operate and monitor a motive power unit		M						M	
Operate rail traffic with due consideration of route conditions		M		M				M	
Work effectively in a train-driving environment		M		M				M	
Apply safety critical communications in the rail environment		M		M	M	M		M	
Follow work health and safety procedures		M		M	M	M	M	M	
Respond to abnormal situations and emergencies when operating rail traffic		M						M	
Apply fatigue management strategies		M		M	M	M		M	
Applying safeworking rules and regulations to rail functions		M		M				M	
Certificate IV in Train Driving - Electives									
Shunt, couple and uncouple rail vehicles		M		M	M	M		M	
Conduct a general train examination		M		M	M			M	
Carry out a train roll-by inspection		M		M	M			M	M
Test train braking system		M		M	M			M	
Prepare for train operations		M		M				M	
Drive train to operational requirements		M						M	
Stable a motive power unit		M						M	
Other									
TAEASS412 – Assess Competence (or higher competence evidence from other relevant qualification)								M	
Aurizon Specific									
Aurizon Verification of Competence (VOC) - Locomotive Driver	36 months	M						M	
Aurizon Verification of Competence (VOC) - Second Person (NSW)	36 months			M					
Aurizon Verification of Competence (VOC) - Shunt	36 months				M				
Aurizon Verification of Competence (VOC) - Restricted Shunt	36 months					M			
Aurizon Verification of Competence (VOC) - Local Questions	36 months	M		M	M	M		M	
Aurizon Verification of Competence (VOC) - Safeworking Theory (NSW)	24 months	M(1)		M					
Aurizon Verification of Competence (VOC) - Safeworking Theory	36 months	M(1)	M						
Safeworking Accreditation	initial	M		M	M			M	
Isolation & Lockout Isolating Person	36 months	M		M	M	M		M	
Isolation & Lockout Isolating Person Verification Form	initial	M		M	M	M		M	
Aurizon Observance and Reaction to Signals	initial	M		M	M				
Aurizon Three Step Protection	24 months	M		M	M				
Aurizon Half Distance Protection	24 months	M		M	M				
Aurizon Drager Oxi 6000 & Tunnel Evacuation	24 months		M						
Aurizon Sigma Breather	24 months		M						
Notes:									
M = Mandatory M (1) - one mandatory o = optional The information contained in this matrix is a guide and for reference only, it is not an exclusive list. This could be subject to change by the Rail Transport Operator.									
1) Must be competent in the applicable Sections of the relevant Rail Infrastructure Manager specific Safeworking/Rail Rules									
2) Must hold Train Driver, Driver Trainer or Second Person role.									
3) Sigma Breather and Drager Oxi training is delivered face to face by an Aurizon Driver Trainer (Critical risk - tunnel operations - NSW only)									
4) Aurizon In-Vehicle Monitoring System, Isolation & Lockout – Isolating Person, Three Step Protection, and Half Distance Protection are completed as online modules via the Aurizon Contractor Portal. Evidence from myLearning will not be accepted
