Aurizon Safeworking Matrix

Role examples (A-Z)

NOTE: These are to be used as a guide only. If you are unsure which role applies to you, please seek clarification from Aurizon as to what role is required for your intended duties. It is the individual's responsibility to ensure that the appropriate role is held before work is carried out.

Role	Examples
Lookout	A Competent Worker responsible for keeping watch for approaching rail traffic and for warning other workers to stand clear of the line and move to a Safe Place before the rail traffic arrives.
Protection Officer	The Competent Worker responsible for managing the rail safety component of worksite protection.
