PTA SIC2026-01 January, 2026

## NOWERGUP DEPOT RAILCAR MODIFICATION SHED

### Construction Zone & Overhead Line Equipment Energisation

The Nowergup Depot Railcar Modification Shed has been under construction and has therefore been designated as a construction zone and a General Exemption area.

AS OF 18<sup>TH</sup> JANUARY 2026

THE OVERHEAD LINE EQUIPMENT IN THIS AREA WILL BECOME

**LIVE AND DANGEROUS**

From this date forward, all planned works must comply with the PTA Safeworking Rules, and only approved work applications will be granted access. The General Exemption area is removed and all workers must hold a current PTA Supervised Worker (TAP level) accreditation and must be under the protection of a PTA-Qualified Protection Officer when working within the Rail Corridor
